

## **Questionnaire for Sharing Examples of Emerging Practice in application of the Charter of Rights for People Affected by Substance Use**

### **Purpose:**

- to offer a user-friendly format to encourage sharing experience,
- support consistency across examples,
- minimise quality assurance proofing by Toolkit platform host

### **Questionnaire Template:**

1. Which Key Right/s of the Charter did you apply?
2. What is the context where you applied the Key Right/s? For example, what change or improvement were you trying to achieve through using the Charter?
3. Did the Toolkit support you? If so, which tool and how did it support you?
4. What have been any results so far?
5. What do you think are the main lesson/s learned?
6. Do you have any recommendations to help others apply the Charter?
7. Is there anything else you want to add? For example, is there anything else that would support you to better apply the Charter?
